

STUDENTS FOR A DEMOCRATIC SOCIETY

is an association of young people of the left. It seeks to create a sustained community of educational and political concern; one bringing together liberals and radicals, activists and scholars, students and faculty. It maintains a *vision* of a democratic society, where at all levels the people have control of the decisions which affect them and the resources on which they are dependent. It seeks a *relevance* through the continual focus on realities and on the programs necessary to effect change at the most basic levels of economic, political, and social organization. It feels the *urgency* to put forth a radical, democratic program whose methods embody the democratic vision.
