

Jokes

I learned when I was a kid that if you are going to be blamed for something, then you might as well do it.

It's difficult to generalize about black and white, but I prefer black culture. The people are more open minded, more tolerant, and they call a ho, a ho.

A man will pay \$20 for a \$10 item he needs. A female will pay \$10 for a \$20 item she doesn't need.

Married men live longer than single men do, but married men are a lot more willing to die.

An old, blind guy wanders into an all-girl biker bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while, he yells to the waiter, "Hey, you wanna hear a blonde joke?" The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, "Before you tell that joke, I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weight-lifter.
5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, Mister. Do you still wanna tell that joke?" The blind guy thinks for a second, shakes his head, and mutters, "No... not if I'm gonna have to explain it five times."

Don't forget, the suffrage movement grew out of the temperance movement, and we all know what a mistake that was.

I don't dream about middle-aged feminists but pretty young ladies.

How young?

Depends on the state I'm in.

How old are you?

You don't want to know and neither do I.

You must be talking about my twin brother.

Hey older guys are often gentler, more kind and they last longer. They also usually have more money to spend but less time to spend it in.

Why do you chase young ladies?

Would you rather drive a new car or a used car? And if you are the car, would you rather be driven by a student driver or one with a license.

How can guys help or what should guys do?

Go into your girl friends' pocketbooks, take out all the paper with pictures of famous Americans and send them to me

Do you cheat?

No, I can only handle the stupidities of one girl at a time.

If I get through a day without being insulted or threatened, I figure it's because I missed an appointment.

ISO, the Islamic State of Obama—the 7th century finally made it to the 21st. That guy Mohammed was nothing but a warlord who used his writings to attract followers, gain power and justify his reprehensible deeds. Marrying a 9 year old. 16 I can understand, well 17 in NY, but 9? You play dolls with a 9 year old, you don't take her to bed.

The problem with a female President is that we may end up with another lunatic female syndrome: "They offended me, so I nuked them."

The reason Feminists use the term gender instead of sex is that they don't want to be reminded of what they haven't had for years.

15 minutes! I thought it was only 15 seconds. Boy if I had known that, I would have brought these cases a long time ago.

By Topic

Abortion Or, I'm not responsible for controlling my bodily urges.

Acting I'm trying to move into a profession with civilized people.
As a lawyer, if I get through a day without being insult or threatened, I figure it's because I missed an appointment.
Besides TV and movie producers are the only ones who will hire me.

Age Emotionally or physically.
Old enough to know better but don't.
The same age as you: 13.7 billion years, the age of the universe—prove me wrong.
I respectfully decline to answer on the grounds that it'll increase the difficulty in exploiting young ladies infinite capacity to delude themselves.
If you consider that a game, then step over to the other side and ask is she playing a game to get into my wallet.
What if a girl asked a guy how much he had in the bank.

You look younger?

Probably because I chase pretty young girls. Nothing like perky breasts and firm booties to keep your hormones bubbling and yourself young looking.

Anger At least I'm in touch with my feelings.

Bankruptcy Because I've been pink-listed. No one these days will hire an anti-feminist lawyer because they fear being called an anti-feminist sympathizer. Just like the black-list of the 1950s when no one would hire lefties for fear of being labeled a communist sympathizer.

Bitch I don't use that term. I think it gives girls too much credit.

Bigotry 100 years ago, Americans dissed the Italians, or more correctly today, Euro-Mediterraneans. Actually Euro Northern Mediterraneans. The Arabs are the southern Mediterraneans unless they live in the Levant—then they're terrorists

Color Color is superficial. There's no difference between a red Ferrari and a blue Ferrari—both are Ferraris. Whether you want to drive around in a red or blue one has nothing to do with the Ferrari but you. Same with girls, if there's a black one and a white one and both are equally good looking to me—I'll probably choose the black one. That's just a matter of taste. It doesn't tell me anything about the girls.

Courts The chances of the courts upholding the rights of men are about equal to some young lady paying my way on a date.

Hasn't that ever happened?

The closest was when the NYC Controller's mother paid for our dates, but then I was in my 20s and she in her 40s and a member of the City Council.

Crazy In an insane society, to be sane, you have to be crazy.

Critics Not every old fashion idea is wrong.

You don't understand. I'm a lawyer. When my opponents are reduced to calling me names—that's the highest form of compliment.

Dates *When was the last time you were on a date?*

I'm a man, you're a female. Do you find me attractive?

No

(Look at camera) So ladies, is she telling the truth—you decide.

Debtor's Prison Guys who can't pay child support or hidden alimony go to debtors' prison, even when the ex-wife earns millions of dollars the old fashion way by marrying it in the form of her next husband.

Of course, the hidden alimony is often used to pay off the car and for the gas that females use to drive to Ladies' Nights.

Definitions

Broad: You know, broad across the chest. Something I definitely don't dislike but find desirable. American Heritage Dictionary: it's slang for a girl, but I used it to refer to a Feminazi trying to do a man's work and hos.

Bimbette, Bimbo, Bimbat: Wikipedia: Stupid, and a state of mind that reflects a person who exaggerates the effort and value put into her physical attractiveness. I use it as a term for incompetence. You're telling me incompetent females don't exist, especially when they are doing a man's job? Get real.

Ditz and Airhead: same as bimbo.

Dames: took that from the movie Laura, w/ Dana Andrews and Gene Tierney, means girls.

Ho means Gold-Digger. I'm still waiting for the movie "Hos of 1999." Presumably, it will star my ex-wife.

Dem Convention 2008 Now I know what to expect for the second coming.

Differences Of course girls live longer, they're killing us guys.

You can't keep your nails clean and do that.

For every million miles driven, females get into more crashes.

Dumb man + smart female = marriage.

A female worries about the future until she gets a husband. A man never worries about the future until he gets a wife.

A successful man is one who makes more money than his wife can spend. A successful female is one who can find such a man.

A man marries a female expecting that she won't change, and she does.

A female has the last word in any argument. Anything a man says after that is the beginning of a new argument.

Discrimination Anything can be true, if you ignore the facts.

Titanic: 74 % of the females survived, 20% of the men. To a feminist, none of the men should have survived.

Does discrimination against females in the past makes them a suspect class under the law.

Yes, girls are a suspect class. Every time they open their mouths, I begin to suspect something.

The New York Times editorialized, "the verdict only furnishes a new illustration of what must be regarded as a settled principle in American Law—that any woman who considers herself aggrieved in any way by a member of the opposite sex, may kill him with impunity...." July 1865.

Domestic Violence

Did you ever hit your wife?

No, but I should have.

Emotional Distress

A girl's tongue is her gun, so why should a man disarm unless females are muzzled.

Equal Pay Females get free meals, cars, tuition, vacations, homes, and jewelry—which they view as entitlements—by raising their hemlines, lowering their necklines, shrinking their waistlines, and leveling their spines.

Essays You sure you want to read those, they're copyrighted. Gotch ya, don't I.

Reads excerpt, Rights:

Yeah, I wrote them. Why, does that make me guilty of a thought crime, of a speech crime?

If not, then why are you questioning me about exercising my right to free speech? Do you work for the Inquisition?

I don't understand. Are you telling me that when a man exercises one of his rights and the Feminazis don't like it, disagree with it, he has to justify or explain to them why he exercised his rights? I don't think so, not in the America where I grew up—maybe elsewhere in the world but not here—I think.

The exercise of a right requires no explanation, no justification; otherwise, that right will be coerced into disuse. Is that what you and the Feminazis want? If I can't say what I want, write what I want, without justifying it to those who disagree with me, then I have no right of free speech and neither does anyone else.

Do you have to justify exercising the freedom of the press?

Anyone demand to know why you practice the religion you do?

Anyone, other than your wife or girl friend, demand a reason for the people you hang out with?

I don't claim to be a moderate—I'm a card-carrying member of SDS, I'm a radical, a gray haired radical, but still a radical.

Feminazis try to excuse females of all responsibility and culpability for the ills of society, I'm trying to put the apple back into the hands of the one who offered it.

Give them a taste of their own medicine; see how they like it.

In this society, a feminist can demonize, denigrate and dis guys any time any place and generally she'll be met with approval. The moment I try the same tactic against girls—it's off with my head—or both heads.

Ex-wife

This is a girl who would follow a dollar to hell. I think we already have enough of those here.

You imported one. I know, and I did everything I could to send her back, but the Devil didn't want her.

Female Look at what their bodies are built for. You don't use a car to fly the skies, a plane to sail the seas, or a boat to drive the highways.

Think of them as pushers. They sell feeling good, are mainly interested in money, have lots of customers, and are never on time. Nothing wrong with that, just keep it in perspective.

American females believe now, more than ever, that they are princesses. They think: "I move for nobody, I say excuse me to no one, get out of my way, do what I say and make it quick!"

Girls have more desires than dollars.

Girls are good at running off at their mouth. They don't think about what they're going to say, so they don't have to stop to think, which eats up media time.

"No matter how bad someone is, [she] can always be worse."

Female Value Look at the typical American female in her late 30s or older, superimpose a feminist ideology, and then ask yourself: would you rather spend the rest of your life with her or alone.

Feminists A female who believes that an accident of nature—being born female made her superior to men in all things under the sun. She believes all men are guilty until proven innocent and all females are innocent until proven guilty, but even then a man is still to blame.

A collection of people many of whom could hardly bake a cake, fix a car, sustain a friendship or a marriage, or even solve a quadratic equation, yet they believe they know how to rule the world.

They wrongly believe their upbringing made them weak, illogical, emotional and condemned them to hot flashes but it was Mother Nature—it's in their genes.

Freedom Speech

The Founding Fathers included "freedom of speech" in the First Amendment: (1) to keep government from preventing speech before it is made, and (2) to keep government from punishing speech after it is made, except in a few very restrictive instances, such as yelling "bomb" in Times Square.

Generic Put Downs

- She has reached rock-bottom and has started to dig.

- When she opens her mouth, it seems that it is only to change feet.
- This young lady has delusions of adequacy.
- She sets low personal standards and then consistently fails to achieve them.
- She is depriving a village somewhere of an idiot.

- If you give her a penny for her thoughts, you'd get change.

- She's one neuron short of a synapse.
- It takes her 2 hours to watch "60 Minutes."
- If it weren't for her body, she'd need a brain.
- It's a little late to start fighting for your honor.

Gay *Are you gay?*

No that's one problem I don't have.

Is that a problem?

Since I was 8, I've spent a lot of time, energy, effort and money chasing girls. If after all these years I was pursuing the wrong sex object, then that would be a problem.

Are girls sex objects?

The ones I chase are.

Girl Friend I've got a girl friend; we've been going together for seven years now—her name is Jihada, or in English—the seven years war.

You mean a human girl friend. No, I've learned my lesson. All I'm interested in now is partying. Just fleeting cavorts with pretty young demonesses—anything longer is too dangerous.

Batting average? I don't keep track, I already have enough depression to deal with.

The only thing a guy needs a girl for is sex. Girls, however, need a guy not just for sex but to solve their problems, for security, and for someone to boss around.

Are you a pedophile? Yes, I love to walk. You mean little girls, aren't they missing a couple of strategic assets?

Glass Ceiling I don't have a problem with 18 million cracks walking around on a glass ceiling.

Health Of course girls live longer, they're killing us men.

Hip Hop Class

I go to inhale the pheromones of the pretty young ladies as the beads of sweat roll down the enticing curves of their bodies.

In one class, there are over 80 pretty young sweating females. That's better than what ISIS is offering. Of course, they're not all virgins, but then again you don't have to die for them—only deplete your bank account.

In addition to hip-hop, I take martial arts to deal with the guys who give me a hard time about taking hip-hop.

I played lacrosse and rugby and these hip hop showcases are physically and mentally harder. In rugby, I needed only two moves: deck the guy with the ball or stay away from the other team if I had the ball. With hip hop there's dozens of moves.

In the last show there was an 11 year old girl who was just amazing. I couldn't figure out how she remembered all the moves when I couldn't, after all my brain is larger than hers.

Hypocrisy Typical female desire: they want their cake and to be eaten too.

Infidelity I'm a serial monogamous.

I don't cheat because I'm ethical. I don't cheat because I can only handle the stupidities of one girl at a time.

Jihada I'm loving it, Moochie versus City Hall. I fight the Feminists and have a lot of fun doing it. It's almost as interesting as my past anti-Vietnam War days.

Jokes I don't mind people making jokes about me if the purpose is to get a laugh and it's not malicious. I do that myself. But Norton was malicious he just wanted to destroy me because I disagreed with him. Okay, I thought, let's see if he has any guts to back up his words and I challenged him to a duel.

Judiciary Bias Judge to prostitute, "So when did you realize you were raped?"
Prostitute, wiping away tears: "When the check bounced!—Guilty."

Justice Moderation in the pursuit of justice is no virtue.

Isn't this a personal vendetta? Absolutely, I'm in this until my last dollar, last breath, and if there is anything after death for eternity.

Ladies Nights Lawsuit

LNs are a microcosm for society. Guys shoulder the burden of paying while girls enjoy the benefits paid for by guys.

The suit would have ended guys having to subsidize girls to party. I think that's called prostitution.

It's a transfer of wealth from the wallets of guys to the pocketbooks of girls. All those girls who go to Ladies' Nights owe guys who indirectly subsidized them some form of compensation.

A girl is not going to a club where she believes there is a lot of competition. She'll go elsewhere even if it means spending more. Girls aren't looking for chump change; they're looking for a chump to gold dig. In NYC it's 9 guys for every 10 girl and if you factor in the gay guys it's probably 7 to 10. Girls want to increase their chances of finding a guy.

Ladies will go to the ends of the earth to find a man; they'll just make it look like the guy's doing it.

If a girl is not looking for a guy, she still won't go to Ladies' Nights because she'll figure when guys have to pay \$20 for admission, they'll have less money to spend on them.

Not all girls are like that?

Correct, but if a guy assumes they are; he'll end up saving yourself a lot of grief and money.

The Club owners know that Ladies' Nights is just a trick to get guys into their clubs to spend money. A guy shows up, invests \$20, no girls, so he consoles himself by drinking and waiting for the girls who never show.

You're asking girls whether they're in favor of Ladies Nights? That's like asking a beggar whether he's in favor of someone giving him money.

If the case had been successful, clubs would lower the price to guys and raise it to girls. That would have meant every guy who entered a club would have more money to buy girls drinks. True the girls would have to manipulate more drinks from the guys to make up for the increased admission cost, but I'm confident in their genetic ability to separate a man from his money.

Of course, the girls would have to drink more, but then they'll have more fun and so would us guys. An added benefit is that in the morning when the girls woke up with second thoughts about what they did the night before, they could do what they always do—blame guys, in this case me, rather than the guys they partied with. It's a win-win situation for the guys, girls, and the clubs.

The only frivolity in this case was the clubs claiming that guys should financially subsidize girls so they can party.

Guys have mainly two ways of meeting a girl, assuming they don't go for prostitutes. (1) Intentional—a guy sees a girl he's attracted to and goes over to talk with her. He intended to do something and he did it. Of course, this could also be called reckless endangerment; he saw the warning signs but ignored them. (2) Accidental—a guy bumps into a girl or a girl standing next to him says something and he interjects a remark.

In court

The one hearing in the district court was nothing but 40 minutes of fighting between the judge and me. At one point the lady judge said you must respect men. To which I replied but you must also respect me. When I left the hearing, I felt I had just been in an argument with a female I had gone out with too long.

During the hearing she also insulted me personally by calling into question whether I'm a lawyer at all. Of course the term lawyer may be an insult in and of itself, so by questioning whether I was one might have been a compliment, although I doubt it. So I responded that "was uncalled for."

Lawyers Lawyers are mercenaries without ethics. And to think they make lawyers judges.

Liberty When a girl talks about freedom and liberty, she means hoing.

Loses

I'm 0 for 3 in men's rights class actions, which makes me feel like I'm back in Little League baseball.

Can't beat the devil in the devil's own court, but you can show she's the devil.
It's a modern day witch-hunt—only today the witches are doing the hunting.

Manhattan One of the few remaining communist territories on the planet.

Man's World Hasn't been a man's world since the hunting and gathering days.

Perhaps, the true man wants two things, danger and play. For that reason he wants females, as the most dangerous plaything. Nietzsche

Marriage When the husband divorces his wife, it's hubby's fault. When the wife divorces her husband, it's hubby's fault too.

I don't think any girl would want to be your wife. The feeling is mutual.

Misogyny No, I don't give messages.

When I go out to nightclubs or my hip hop class, believe me, what's in my heart is not malice.

Take chocolate for instance. I like the taste, but it raises my cholesterol, yet I still eat it. Young ladies raise my blood pressure, so both are dangerous, but I'm still addicted.

You can't hate what you lust after.

Biased requires a person hold an adverse opinion or judgment reached without knowledge or examination of the facts. I've done plenty examinations of girls and some of the worst of what I found are in my writings.

Miss Columbia Religion requires irrationality and acting against one's self-interest. So think irrationally and do something stupid and you've got a Feminist or femininity.

Women's studies are the varsity sport of campus co-eds.

Black Studies

There's no comparison. When was the last time a white Feminist was lynched, shot dead on the front stoop of her house or on the balcony of the motel she was staying in. For the past four hundred years, the institutions of this nation have kept their boot heels on the back of the necks of blacks. During that same time, white feminists, the average white girl and hos have received largely preferential treatment.

Motivation Why? Perhaps I'm suffering from PMS: Persecuted male syndrome. If females can have all these lunatic syndromes to excuse murdering the unborn, newborns, kids, boyfriends, and husbands, than I can have one to excuse me for fighting for my rights.

Guess it's because I'm a Libra.

There are some people who will do anything for money, but there are others who will do anything for justice.

How far is anything? You'll know when I get there.

I was in college when Feminism started making the rounds. I didn't make up my mind about it until the Feminists started plastering signs around campus saying, "It's not your heart he's after." What hypocrisy. I could just as well have said, "It's not your heart she's after but your wallet." At least guys are driven by Mother Nature but with the feminists it's greed.

Names Called Rapist, gay, pervert, loser, jerk, and malcontent—that last one is correct.

News Source I got my news from Jay Leno's stand up routine.

Objective For nearly 40 years, Feminazis have been ranting about equality. Bring them some of the same equality that men have enjoyed in this country for the past 40 years—then they'll change their tune. They'll start whining where's the kitchen?

Do you think a girl's place is in the kitchen?

Depends on whether she can cook.

Offensive The truth cannot be an insult—Charlie Chan.

Palin Shes' got nice legs.

Would you vote for her?

She'd have to register for the draft first.

The problem with a female President is that we may end up with another lunatic female syndrome: "They offended me, so I nuked them."

Paranoid I wouldn't be so paranoid, if I didn't have so many enemies.

Promiscuity Guys cheat because girls do.

Revolution The only way to stop the discrimination against men is for 100,000 armed guys to show up in Washington, DC demanding their rights. The problem is there are perhaps only 200 men left in America.

I'm not about to show up by myself in Washington, D.C. and demand the Government surrender. But if I could mobilize enough guys—let's go.

What are they going to do to me—send me to Guantanamo? I like warm climates anyway, besides if I escape I get to drive around in 56 Chevies with hot Latinas and smoke Cuban cigars.

So they take away my license to practice law. I got it so I could defend my rights not to make a lot of money. But it's impossible for a guy to defend his rights in a judicial system prejudiced against men. So my law license is pretty much useless.

If I had wanted to make a lot of money, I would have become a crook on Wall Street.

I'm not a terrorist, not yet. But if the courts keep treating me this way, I'm going to start attending that Madras school in Brooklyn.

Both Abraham Lincoln and Robert Kennedy said that “among freemen there can be no successful appeal from the ballot to the bullet.” Without liberty, men are not free. And as Clarence Darrow said, “Individual liberty is the first concern of every man for without it, life is not worth living.”

Self Defense If a girl uses her tongue as her gun to intentionally inflict emotional distress, to intentionally cause psychological injury to a guy, then a guy has the right, the duty to either defend myself by slapping her upside the head or kicking the slut out of his life.

If you can be accused of battery for getting into an argument with your girl friend, you might as well slap her upside the head because you'll end up in the same position in today's legal system.

Seriousness I'm at my most serious when joking.

Sex I like music, I like dancing, I like drinking, and I like pretty young ladies. But as with drinking, a guy has to be careful with the young ladies.

It's always about sex with girls and the Feminists, sex to attract and sex to attack. Girls aren't rated Double X for nothing.

Sexist Let's see: a conformist is one who conforms, so a sexist is one who has sex. Yes, I plead guilty to that, although not as guilty as I would like.

Speech The reason Feminists use the term gender instead of sex is that they don't want to be reminded of what they haven't had for decades.

Girls spend a lot of time, energy and some guy's money trying to look sexy. I'm not about to disappoint them by considering them genderey.

Tyranny

Oppressors:

Live longer,

Control a greater percentage of a nation's wealth,
Nation spends more money of their health care,
Receive less time for the same crimes,
They're proportionally fatter and more out of shape.

The personal is not political—it is private, but attacking the personal often gets results.
Females always demean men for fighting for their rights in the hope that men will do what most guys have done—lay down and let girls drive over their civil liberties, perhaps in a Mercedes Benz.

VAWA Mistreated alien wives have plenty of options—walk down to the local precinct or call the toll-free domestic violence hotline, it talks in many tongues, including a forked one.

Why should the Federal Government police domestic disputes. What if the mistreated wife is a member of Al Qaeda, or the Russian mafia, or she's a ho. Don't we have enough hos in this country already?

It's an example of using political power to control the purely personal when no criminal or civil wrongs have occurred but only a failure to sacrifice liberty by not conforming to the self-righteous dictates of the feminist establishment.

At least in the Inquisition you got to appear before your judges, although you were probably tied to the rack, with VAWA you never know who your judges are and they skip the rack and go right to finding you guilty.

If I pulled out a gun and shot your producer, I'd have a right to a trial, to due process. Why is that denied me because I married or dated an alien and I'm a man.

Nearly a year after the TRO was dismissed, I'm entering the country from overseas and Customs pulls me into their detention room. Why? Because of that TRO that had been dismissed. Now Customs doesn't even detain terrorists. They come and go as they please. But feminists have so perverted this country's institutions that Customs detains an American citizen based on a secret proceeding to which he had no opportunity to defend himself and the order from that secret proceeding was thrown out of court.

Next time I come into this country from overseas, I'm crossing the Rio Grande with the illegals.

If the definition of violence as used in this act were to apply to domestic marriages, every husband, every wife would be guilty of "battery or extreme cruelty."

VAWA has taken the "he said" out of the "he said, she said."

American guys go overseas looking for girls because they don't want a Feminist at home when they have to put up with Feminist bosses at work who vent their insecurities by creating mean-spirited and authoritarian work places.

Why did the Feminist get VAWA passed?

Why do females squeeze their feet into tiny shoes with stilts on one end, constrict the lower part of their bodies in panty hose, interfere with their respiration with tight push-up bras, paint their faces with cancer causing dyes, pluck their eyebrows, glue fake eyelashes to their eye lids, conduct chemical reactions on their heads to change hair color? To catch a guy.

If they are willing to do all that to land a guy, they are sure willing to use the government to violate a guy's rights if it increases their chances.

War Since girls control a majority of the country's assets, in the next war defending those assets, girls should make up a majority of the casualties.

Women Studies

In Women's Studies a guy will spend his time being walked over by girls in their stiletto heels—hmmm that might not be so bad.

Young Ladies

I only do what mother nature tells me.

They're faces look young and innocent, but their bodies tell a different story.
